The master bedroom comes complete with an ensuite and balcony for that added privacy. All three bedrooms have built in robes and are kept in the perfect climate by an evaporative cooler.

Slate tiles to the living room and kitchen will help keep these areas cool. A gas wall heater in the living room will keep you warm in these winter months. The kitchen comes complete with a dishwasher, gas cook top and electric oven.

Just off the meals area is a lovely private courtyard, perfect for relaxing or entertaining family and friends.

Throughout the home there is ample storage. A powder room is also located down stairs. A single lock up garage, completes this picture.
