## For Yourself or For Investment

Whether you're in the market for a quality unit to live in yourself, or whether you're looking for a good return on investment, you need to be looking at this unit. A quiet cul-de-sac position on the side of the hill, and a generous open plan layout with plenty of storage, including a kitchen with island bench and full pantry give this 3brm duplex unit plenty of appeal. A covered patio, privacy fencing, side porch and integrated garage add further to the comfort and liveability. The current owner has moved on and has now reduced the price, offering a value opportunity for the astute buyer right now.
