Walk To Water!

This spacious home is located only 200m to the river and is across the road from the Bowling Club, where you can go to eat on those nights you don't feel like cooking.

The backyard is big enough to host a BBQ with family and friends, and if the weather turns sour, there is enough room for everyone inside, with the kids down in the rumpus room and the adults in the upstairs lounge.

If you are feeling more energetic on your holiday you can take the 2.5km walk down to the main street with most of the walk being on a bike path that takes you around the rivers edge.

If you love the beach, the local main beach, a great spot for both surfing and swimming is patrolled, and only 5 minutes drive away.
