Location:

Upper Mount Gravatt is 10km from Brisbane's CBD. It is considered to be one of the closest business centres to Brisbane City. With its close proximity to the major arterials including the South East Freeway and the M1. The area is well known for its major retail and shopping centres such as Garden City and also surrounded by corporate business offices. Many companies have moved from the City to Upper Mount Gravatt for its convenience and access-friendly for both clients and staff. The area is currently experiencing further expansion with the new shopping complex and some new office developments due to demand.

Office Area: 155m2
