HOME SWEET HOME

So neat and located only a street from the highway, 200m from the beach and 150m from the pub. What more could you ask for?

The low maintenance garden won't take too much of your time, so you can get back to relaxing or fishing.

The entry opens into a sunny sitting room which could be a dining area. The almost new kitchen is bright and practical and cosy wood fire. Two large bedrooms, a spacious bath / laundry room and a toilet complete the lower storey. Climb the stairs and you are in a fantastic sitting, lounge, entertaining area with its own deck.
