Sold - 12/03/2014

Townhouse 3  1  1 

SOLD!

Located in a quiet street in a complex that is well maintained and mostly owner occupied, this neat and tidy townhouse is a real find. The generous lounge room and defined kitchen and dining area are not normally found in properties of this price range, let alone the garage with internal access, separate laundry, large bedrooms (built-ins in 2) and private courtyard.

Open for Inspection

By Appointment.

Nothing to do but move in and relax or it would also make an excellent addition to any portfolio with a rental potential of \$340 per week.
