Are you really looking for a home to renovate? You've found

Properties like this are scarce to find, an old fibro Bungalow, good bones, very liveable, set in a wildly planted Garden, recently cleared at the back so that you can see how big this lot really is.

Stop at your nearest hardware and stock up on tools, paint, brushes and the like.

There is money to be made here, realistic vendors are moving on and want to sell. Inspect your next home or investment today, it could be the best buy of 2014.
