Wattle you do with this ?

Here we have something not to be missed. Located just a short stroll to Yamba shops, Treelands Drive, medical centre & public transport. No - it doesn't shine like a diamond. No - it's not your brand new two story, four bedroom home in Yamba. But what we have here is an incredible opportunity if you have a keen eye for a bargain and not afraid to put some elbow grease, time & effort in to renovate this home. This home is now ripe for the picking. There is not much to say here because we are asking you to tell us what it's worth to you. My highly motivated vendors are prepared to listen to all realistic offers & let me tell you they are aware of current market conditions and what needs to be done to return this to a property into one you would be proud to call your home. Will it be an owner occupier or an astute investor that can see sheer value here? Call now for your inspection & don't hesitate as I can't see it lasting too long!!
