Where the Living is Easy

Discover Byron Bay, Australia's most easterly point, where the living is easy, lifestyle is relaxed and the beach culture awesome, with kilometres of unbroken white sandy beaches and an abundance of rolling waves to enjoy.

Byron is also home to boutique shops, award winning restaurants, cafes, organic produce, yoga studios and surf schools.

Enjoy a relaxing swim in the ocean and then return to your abode to your own private terrace, in this perfectly north facing apartment, overlooking the spectacular ocean with its turquoise waters, where, if you are lucky enough, you can spot the dolphins and even the humpback whales who pass by twice a year. This is not only a relaxed but also an enviable position, people dream about.

The spacious layout of this open plan apartment extends to the outdoor north terrace, enjoying not only the summer breezes but the amazing surf and the famous Julian Rocks in the distance.

The generous southern terrace off the main bedroom overlooks a tranquil lush reserve, where you will sit and meditate, read that novel or simply relax to the sounds of the birdlife.

This three bedroom fully furnished apartment is the distinct destination perfect for that weekend getaway or extended stay.
