Family Home or Investment - Your Choice!

Excellent value with potential to make a good capital gain.

Unusual 3 storey home of character, consisting of top floor two bedrooms and a cosy living or games area. Main floor has kitchen dining area bathroom and master bedroom. Ground floor has a large self-contained 1 bedroom flat and the garage.

Elevated for the breezes and the views, this can be a three bedroom home plus a 1 bedroom flat or integrated as a four bedroom home. The carpets are good the kitchens and bathrooms are serviceable for the meantime, but there is plenty of scope to make this your dream house.
