Great Little Earner!

Excellent little opportunity for those looking to get into the market for themselves or as an investment. Original cottage with ample potential to maximise. A facelift would do wonders to the property's value and the annual rental income. Great rental history as it is located only minutes from local schools and Berkeley's commercial/business hub. A few minutes to the Lake's edge with an array of sporting fields and parks alike! Only 10 minutes to Wollongong's CBD. Not too much available at this entry level price. Will sell quickly!
