Retail Shop

**The Windmill Centre - Leasing Now!**

Vacant commercial space in Gladstone's busiest retail shopping precinct is hard to find, especially at the right price, but The Windmill Centre Gladstone is the answer.

The Windmill Centre Gladstone is located directly opposite the Stockland Shopping Centre, including major tenants including Woolworths, Coles, Kmart, Big W and McDonalds. In addition to this Stockland have also proposed a \$150M upgrade to the centre which will cement this area as the epicentre of retail shopping in the Gladstone Region.

Vacant commercial shops in Gladstone of such quality do not present themselves very often and we are seeking interest from preferred potential tenants now.
