House 4  1  2 

Charming 4 bedroom, 2 bathroom home with ducted gas heating

If you are looking for a home with loads of character, and plenty of room for your growing family, this one is definitely worth a few minutes of your time to view. Located at the higher end of a quiet and leafy cul-de-sac this property pretty much has the lot. Downstairs there are 3 bedrooms - one is a large studio style room (think teenage retreat or guest room) - a huge bathroom and laundry, separate toilet, open plan living area with well-appointed kitchen. The master bedroom with walk in robe, ensuite bathroom and parents' retreat/study space is upstairs. Outside, both front and rear gardens are fully established and have been well maintained. There is even a cubby house for the kids, and an in-ground salt water pool.
