Attention all Developers

With quality land so hard to come by, this property boasts a great opportunity to buy the property and have rental income coming in while you investigate your options on this great 1903m2 block of land.

The home itself is a 70's style, solid double brick 3 bed home with detached single car garage and workshop in very good condition for the age, but the real gem of this property is the huge block that it sits on. 19m frontage, 66m in depth with a rear boundary of 38m approx.

If you are looking for a development site, then look no more.
