Relocatable Home 1  1  1 

Park Beach is a very desirable suburb!

This park is right on the beach! The gate at the back of this relocatable home gives you access to the walkway to the creek or the beach itself! Down the other way there's the Bowling Club & the Hotel-Motel - colloquially called the Hoey-Moey! This home needs tender loving care as this seller has been unable to attend to all the things he would like as he has been ill. The substance of this, is that you have a good, roomy place with carport & shed & as well. It has that reserve area along the rear, leading to the gate mentioned before.
