Calling all first home buyers

In the current market place rarely does a property like this become available. A beautifully presented 3 bedroom (master & second with BIW) brick and tile home with hardwood timber flooring throughout which is complimenting by the neat kitchen. Set on a level 670sqm block at the end of a quiet cul-de-sac with neighbours only on one side. Plenty of room at the rear to build extensions/shed or install a pool. Close proximity to all essential amenities with Stockland's Shellharbour just around the corner. This is a great opportunity for investors looking to secure a property while they still can.
