Don't Miss This One!

Drive along the wide tree-lined street and on arrival you'll enjoy a sense of excitement and anticipation. A stunning frontage the very best of 80's architecture and mysterious enough to stimulate the senses! Split level design, towering ceiling heights, a generous flowing layout, and windows allowing maximum light, all evident from the street! It's even more impressive on entry, it just has such a great feel! Stylishly renovated with a contemporary edge, a gorgeous updated kitchen featuring caesar stone, stainless steel, glass and polyurethane. As new bathroom with spa bath, frameless glass shower, mosaic glass tiles and a heated towel rail! Located in quiet and tranquil setting where you can enjoy water glimpses through trees and hear the sea at night!
