House 3  1  2 

SEA FOLLY

The property is located Stewart Street with a shared driveway, with off street parking for 2 cars in the single garage and driveway. The property less than 200m to all village shops, Club & Tavern.

The house comprises of an open plan kitchen and living room with north facing balcony and 2 bedrooms upstairs with a queen bed in the main and 2 singles in the second bedroom. Downstairs is what I like to call a teenagers retreat - double bunks, sofa bed, TV, basic kitchenette and bar fridge. From this teenagers retreat is a open deck where the kids can catch a few rays.
