Ultimate Place to Invest or Start Your Business

The Aspire apartments are now completed. We have available the only true north facing piece of land right on the beach and you can own a commercial property in this blue ribbon location which can never be repeated.

Located on the very popular Koombana Beach already among some long term well known businesses and only a very short stroll to the Bunbury CBD you can set yourself up for business or investment opportunity.

Purchase now to lock in your property, this the largest of the commercial unit at approximately 247m2 and will be set up for food outlets, perfect for Bars, Coffee Shops and alike. This is the biggest of the commercial allotments and has mains gas and the grease trap connected to the basement. With 10 apartments above and 2 Penthouses, another 4 lots to be built around and the new bridge linking The Dolphin Discovery Centre, the Beach Café it just makes good business sense.

Be a part of this exciting adventure as Bunbury's water precinct grows with millions being spent, for further information contact Paul Duffy today.
