Contemporary Family Living

Distinguished by an impeccable sense of contemporary style, this sensational residence delivers a luxurious, superbly zoned executive family lifestyle.

A stunning entrance reveals an ultra-modern design intelligently crafted to capture natural light at every turn. The impressive separate yet open plan living and dining areas are the focal point of the home complemented by gleaming tiles and a neutral colour scheme to create an incredible sense of space and openness.

The super spacious gourmet kitchen overlooks the living, dining and outdoor entertaining area and is wonderfully well-appointed, complete with quality appliances, and stunning white cabinetry with stainless steel finishing touches provide ample smart storage capacity.

Glass doors from the living and dining area spill out to a versatile all-weather entertaining terrace that has been superbly finished and overlooks the private, easy care, landscaped yard complete with cubby house!

Accommodation comprises of four bedrooms (all with built-ins), including an exclusive parent's retreat with sizeable walk-in robe, impressive ensuite and private access to the entertainment area.

This intelligently designed home is packed with serious attention to detail and an incredible selection of thoughtful extras throughout including plush carpets in all of the bedrooms, split systems air-conditioning throughout, ample storage space, secure 2 car auto accommodation and additional off-street parking, plus sizeable separate laundry and low-maintenance and fully fenced yard.

Ideally located, this contemporary home offers enviable lifestyle just moments to shopping complexes, public transport, schools, and beautiful parks and walking tracks are only moments away.

Only 20 minutes from the heart of the CBD, this residence is undeniably a combination of modern day conveniences, sophisticated styling and an unrivalled floor plan.
