## ONLY ONE OF ITS KIND

Spacious home in a sought after lifestyle village only a few minutes walk to Swimming Creek Beach. This two bedroom two bathroom home has everything you need. The combined kitchen and dining has ample space and is very accommodating. The lounge room is comfy and hosts a reverse cycle air conditioning unit and leads to a study that fits two computer desks. The main bedroom is large enough to fit a queen bed comfortable and has TV connection and joins to a dressing room with large wardrobe. The second bedroom can accommodate a double bed with ease. At the back of the property is a fully enclosed entertaining area with the second bathroom and laundry. This leads out to a covered sitting area that is fully fenced and looks out to a beautiful bush setting. The home also has solar power back to the grid, a workshop and room for two cars in the LUG.
