Open for Inspection

By Appointment.

Appreciating only one adjoining neighbour, your privacy is assured living in this low-set villa. Recently refreshed in a neutral coastal palette, the home is fantastic value for money, positioned in a sought after Tuncurry pocket.

Constructed of solid brick and tile, the level lawn and vibrant landscaped gardens welcome you into the home. Stepping inside, the single level layout reveals a practical floorplan for uncomplicated living and showcases a breezy open plan dining and living room. The well-appointed kitchen is both stylish and functional and features quality appliances and abundant cupboard space.

The master bedroom spills out onto the courtyard and is serviced by a deluxe ensuite. The remaining 2 bedrooms share a second family bathroom with a separate toilet.

Outside, a full-width covered patio allows you to entertain in rain, hail or shine and overlooks the fully-fenced easy care courtyard and gardens.

Other highlights of this impeccably presented home include bamboo flooring, internal laundry and ceiling fans. Stunning resort-style plantation shutters are fitted throughout and further enhance the relaxing coastal ambience. The home can accommodate a single vehicle in the lock-up garage while gated side access provides secure parking for the jet ski or tinny.

Situated in a whisper quiet enclave, around the corner lies an easement providing direct access to Wallamba Cove. It's only a casual walk or a quick drive into the township where you'll find the local Woolworths, retail outlets, restaurants, cafes, a wide range of services and the Great Lakes Cinema. Popular with holidaymakers and locals, the Tuncurry Rock Pool is a little further to the east and is a refreshing spot to cool down on those hot sunny days. Further amenities and pristine beaches can be found at the neighbouring township of Forster. Don't let this one pass you by, call now to request a floorplan or to arrange an inspection.
