Aspire- "direct one's hopes or ambitions towards achieving something"

A symphony of fine design, materials and craftsmanship comprising 14 luxuriously appointed apartments over 6 story's, Aspire offers a choice of 2 and 3 bedroom apartments, as well as 2 huge Penthouses, all boasting spacious open plan layouts, large balconies and the finest of finishes with quality flooring and top of the range fixtures incorporated through every apartment.

As you would expect from "Austpro", one of Gold Coasts and Australia's most trusted and respected apartment developers, every element within the design construction of Aspire Apartments has been meticulously planned.

Step into the lift and you are on your way to the leisure facilities the aspire holds, this grand 250 sqm two bedroom two bathroom apartment sits on the Third floor. Features such as high gloss fully fitted kitchen including stainless steel dishwasher with matching oven, cook-top and range hood. Bathrooms include designer china wash basin, vanity with polished selected reconstituted stone top and full height designer tiles to bathroom walls. Plus many more luxury features.

As privileged residents you will enjoy a high standard of luxury. Your apartment will be a sophisticated sanctuary of generous proportions and elegant designs, overlooking Koombana Bay with most beautiful ocean views settings right on your doorstep. A once in a lifetime opportunity to own a Penthouse with true north facing ocean views and City living right on the beach, never to be repeated and no other location can match. As the first of two landmark buildings within the eagerly anticipated City of Bunbury planning, Aspire is the apartment complex that will set the tone for what is destined to become Bunbury's definitive Ocean development.

You will enjoy the very best facilities and amenities with one of the last and most prestigious of development locations, your apartment will boast stunning Ocean views, along with easy access to all of the city's best leisure and lifestyle attractions the ideal venue for city living. Just a short stroll to many Restaurant choices, Cinemas, Cafe's and shopping complexes.

If you're not entertaining simply relax on your balcony take in the sunsets and watch the dolphins play.
