House 3  2 

ANGOPHORA

Designed by renowned Noosa architect Gabriel Poole, this light and bright home is the surprise package of the summer. Beautifully modern, the home was built in 1990 and is elevated to capture views from every room.

- Fabulous timber deck on entry level with towering Angophora
- Panoramic Pittwater and National Park views span the horizon
- Spacious, light-filled living room flows to large second deck
- Open plan living, dining & kitchen epitomise casual lifestyle
- Clean lines and colours evoke beachside living
- Beautiful main bedroom with en-suite and walk-in robe
- Second and third bedroom, or study, plus second bathroom
- Sleeps up to 5 People
- Bus stop located at bottom of driveway

Great for couples or a small family wanting to unwind and relax.
