

St Marys, NSW 2760, address available on request

Sold - \$631,000

House 3  1  1 

Dusty Diamond.....

That is right, this solid 3 bedroom brick home needs some serious attention to return it to its best, but it will be money well spent on this spacious home on a decent block with a detached garage, carport, pretty good kitchen and a top location. Vacant and ready to go... There may not be another opportunity, so don't hesitate.

Open for Inspection

By Appointment.
