

2 Tulipwood Cct, Boyne Island, QLD 4680

Sold - 12/05/2022

Residential Land

Level Block With Parkland Outlook

If you are looking to build and have been waiting for the right location, with the right outlook, then make sure you inspect this great block at 2 Tulipwood Circuit Boyne Island.

This corner block is level with some landscaping in place. Situated opposite a park it gives the sense of space with a nice outlook as a bonus. Riverstone Rise is a beautifully landscaped estate with great walking tracks. Your family will also enjoy many of the family friendly activities as found on www.riverstonerise.com.au Having a Day Care centre nearby could also prove very handy.

This block is 663 m2 in size but feels bigger due to being on a corner. There are no easements or sewer lines on the block which makes building your dream home easier.

If you are thinking of building then this block definitely is a must to see.

Open for Inspection

By Appointment.
