The Beach Is Within Reach

Another SOLD by Right Choice, make us your choice....Without doubt this is the one you've been waiting for. Positioned on one of the premier streets of Warilla Beach, this home presents an opportunity often sought but seldom found. A solid brick veneer and tile home with the perfect blend of charm and modern conveniences, with a size that belies it's cute beachside cottage facade.

The floorplan is a standout - three large bedrooms with built ins, two full bathrooms and two large living areas including a massive air conditioned sunken rumpus room mean there is space for everyone to relax after a day at the beach. The spacious solid timber kitchen with granite bench tops is spacious enough to let your inner chef run wild, while entertaining guests in the formal dining room.

Outside, the cosy rear alfresco overlooks the neat level yard featuring a beautiful pool, perfect for a private dip out of the breeze, where the palms enhance the tropical feel as you hear the waves breaking just one hundred meters away from you.

A tandem carport in addition to the lockup garage ensure your toys are secured.

Take in sunsets from the front verandah, enjoy a quiet beverage, and wonder how you ever lived anywhere else. With everything you want within a short stroll, your early inspection is encouraged!
