

St Marys, NSW 2760, address available on request

Sold - \$485,000

Apartment 2  2  1 

A BIG unit that is modern, young and in a great location...

Imagine being centrally located in the heart of St Marys CBD and walking distance to the Railway Station. This two bedroom apartment featuring built in robes, an ensuite to the main, generous sized open plan living and dining area, we are sure will please the fussiest of owner occupiers or if you are an investor you will be pleased to know that this apartment currently rents for \$400 per week. Located on the 2nd level, this apartment is complimented by a split system air conditioning unit and not one but two balconies to enjoy the outdoor space, a lift in the complex along with a secure lock up car space, lock up storage area and security intercom system. Access to the M4 Motorway is within a short drive and the Village Shopping Centre and local schools are a very short stroll away. This apartment is a definite "must see". There is no bigger unit within the complex...
