House 4  2  2 

More than meets the eye

This well presented Masterton built home was only constructed in 2007. The layout is designed perfectly for parents that like their own peace and privacy at the front and the children together toward the back. Two great size living areas provides the space that most families find they appreciate, especially when there may be a fight over the TV rights. A level backyard that looks North towards the heights of Berkeley, is safe, peaceful and a great area for the kids to play and run.

The home features:

- Main with large ensuite and walk in wardrobe
- Four bedroom home, three rooms fitted with built in wardrobes
- Spacious kitchen with large 5 burner gas stove and plenty of storage
- Two separate living areas
- Ducted vacuum system
- Floating timber floors throughout
- Great size block and level grassed backyard
- Concreted outdoor undercover entertainment area
- Oversize dual roller door garage with internal access

The home is located all within minutes of shops, schools, freeway access and the Lake Illawarra foreshore, which has great walking tracks ,a park and skate park for the thrill seeking children or adults. With a natural scenic outlook from both the front and rear of the home that adds extra value to the location and the feel of the homes elevated position. A home that will make any family proud to live in and the freedom of a convenient location makes this a home to be quick to secure.
