Residential Land

Corner Block, Mainland View, Previous Home Approval

This 539 m2 corner block is natural, gently sloping, and has views to the mainland standing on the block. It has had soil tests, and plans were approved previously for a high-set home with 2 bedrooms plus a study. Positioned in a quiet, leafy area, this is a good central location not far from waterfront access, boat ramp, shops, school and child minding centre. It's just a short drive to the Macleay jetty and main business centre. This could be the perfect spot for quiet island living, a weekend getaway or just a great investment this close to the Brisbane CBD.

Macleay Island offers a unique lifestyle, with a friendly village atmosphere, a scenic marine park environment and with the essential shops, clubs and services here on the island ready for you to enjoy.
