Another SOLD by Right Choice, make us your choice.... With development potential abounding (subject to council approval) this home could be the start of something big!

The charming 4 bedroom cedar clad home boasts front and rear decks, warm sky-lit kitchen, two full bathrooms and a substantial rumpus and bar area, ideal for entertaining.

A self contained granny flat adds additional options for income or extended family accommodation overlooking the fully fenced in-ground pool.

A triple carport, separate garage and substantial sheds provide plentiful storage options.

All of the above are fantastic, but the true highlight is the massive 1788sqm block, where the only limit is your imagination as to what could be possible. Perfect for a tradesperson who wants to have space to live and work, or for the astute person with an eye on future potential, this home abounds with possibility.
