## Beach Investment

A few minutes' walk from the pub, clubs, restaurants and of course the beach. What tenant wouldn't want to live there? Currently let to an excellent tenant paying \$250 per week. If you are a first home buyer, this is a good entry level property with no stamp duty to be paid. Two good sized bedrooms with BIR's an open plan living with well-appointed Kitchen. And there is off street parking at the door. North Side shops and the Park Beach Plaza are within walking distance. We have sold a lot of these lately and this won't last long. Call John to find out open house times or arrange a time to view.
