Choose Your River Front Acreage in Bellingen

Choose the location on this block of 260 acres river front pasture land 5 minutes from Bellingen.

This size of medium to large land holding in the Bellingen Shire is a great investment. With the possibility of future sub-division and never ending water, lots of timber and grazing pasture this is a very valuable property.

Open for Inspection

By Appointment.

The property is only 6 minutes drive from the beautiful little, but growing, township of Bellingen and there are a number of excellent house sites on the land.

The Kalang River flows all year round, the timber is an ongoing appreciating asset and could be part of a superannuation fund. In years to come, sub-division should be allowed.

An excellent opportunity to achieve a very private and large parcel of land not far from excellent facilities including hospitals, a jet airport, the Coffs Harbour International Marina and the Southern Cross University.

So choose your acreage now and let it take care of itself for the future.
