Townhouse 3  2  2 

Enormous 3 bedroom townhouse down the Jetty end!

Steady tenants who are now vacating. You have a window of vacant possession before it's re-let! Toilet in laundry + 1 each in the ensuite & main bathroom. Quality construction by Pat Ryan in the early 90's. The front door opens to the small courtyard at the southern side & has double garage under with power lift on the northern side with internal access. Sensor lights guide you up the stairs into the living area & kitchen, dining & laundry level. Up the stairs again & there are 3 bedrooms + the bathrooms. This one is the last unit in the block & therefore has more windows for extra light! The visitors car parks & the rear lane are adjacent to this townhouse. When you look at the pictures, you can see that even this end townhouse has an outlook across the other properties? Just over the hill to the Jetty area.
