Under Contract

This near new split-level solid brick home is perfectly situated in a private cul-de-sac, neatly tucked away on a stunning 797m2 (approx) battle-axe block.

An absolute standout in today's market this spectacular property was designed & built with capturing the breathtaking 180-degree lake and escarpment views as highest priority... and the outcome certainly will not disappoint!

Upon entry this home showcases a lovely light & airy ambience, creating an extremely inviting feel throughout.

Space out with 3 oversized bedrooms, all three bedrooms are literally master sized and all capture sweeping water views, the master suite has WIR, ensuite and offers direct access to balcony.

The kitchen is visually stunning, and a real treat featuring integrated appliances, chef's cooktop, stone benches, ample cupboard space, and all this being complimented by the expansive open plan living and dining area which seamlessly flows out onto huge timber decked balcony via beautiful glass sliding doors highlighting 180 degrees of truly jaw dropping views.

An inspection will also reveal; deluxe master bathroom, x3 toilets throughout, versatile floorplan that offers teenage retreat / guest accommodation quarters, multiple storage options, electric security front door, and a big handy double garage on remote control with internal access.

Outdoors enjoy this overall low maintenance property and all it has to offer with extensive use of synthetic grass yet boasts a generous amount of space for kids & pets to play in complete privacy. And not to mention multiple entertainment quarters which is sure to bring out the social side in you... Ticking all the boxes from location right through to quality & size, this property is simply not to be missed!
