House 5 2 2 2

One Block From Town Centre

This Stone home has an attractive old-world charm of yesteryear with the modern extension for comfortable living.

The 1920's Symmetrical cottage has been extended and designed with endless quality inclusions. The home consists of 3 expansive living areas and extends to five generous bedrooms and two bathrooms. The timber staircase leads to the second level opening to a huge open living space with bedrooms and bathroom.

The kitchen is the centre hub servicing the open living family and dine with surround windows and doors leading to the outside garden and pool. The kitchen has loads of storage and bench space, sizeable pantry and dishwasher.

Sleek & stylish bathroom from floor to ceiling & large spa bath, ducted and zoned reverse cycle air conditioning adds to the year-round comfort of the home.

High ceiling throughout with quality flooring & an abundant amount of windows filtering light into the living areas looking over the sparkling in-ground pool, this is an entertainer dream and many hours of family fun with the kids.

A powered double garage with storage area plus carport and the addition of roller doors provides extra car space.

Large rainwater storage tanks ideal for gardens and inside the home.

Its perfect for indulging passions and hobbies, a tranquil escape and a wonderful family home in the centre of Berri. It will impress the most discerning buyer.
