Open for Inspection

By Appointment.

Positioned in a highly sought-after pocket of Forster, this large four-bedroom home overlooks the township with breathtaking district and hinterland views. If you get tired of that, the large outdoor entertaining deck sitting privately at the back, affords a view of the immaculate and tranquil backyard. An entertainer's dream with plenty of space for guests, you can flow effortlessly from the front balcony to the back deck, as you watch the kids roam and play freely in the backyard.

Featuring luxury inclusions, such as plantation shutters throughout, this home will appeal to the discerning buyer looking for a quality home, to move in and not need to touch a thing. Recently updated, the kitchen will more than meet your cooking needs; equipped with plenty of bench and cupboard space, along with quality appliances. Also featured in all three bathrooms, the kitchen exudes opulence with large floor to ceiling tiles.

The three large bedrooms upstairs all feature built-ins, with the master bedroom also having a modern ensuite. Downstairs, near the entrance, the extra-large fourth bedroom has an ensuite and additional living space, opening the possibility to endless uses. Keep the space as a separate guest quarters, a retreat for the kids or even rent it out for a little extra in the pocket.

Perfect for a family looking to up-size into a friendly neighbourhood with plenty of backyard space, or for the sharp-eyed investor who can behold the potential for dual living/occupancy, this home has so much to offer. Only a short walk or drive to Stockland Forster Shopping Centre, secluded Burgess Beach and One Mile Beach, and central to transport and schools, viewing this home is an absolute must. Call now to secure your inspection today.
