Illusive acreage with huge family home located within spitting distance of quality schools, shops (including Westfields'), transport and business hubs - this type property is as rare as hens teeth!

Open for Inspection

By Appointment.

Sitting on Just over 2.5 acres with SEVEN BEDROOMS plus an office or fourth living area this home is perfect for the larger family.

Three bedrooms and the office/fourth living area plus bathroom and laundry are located on the right side of the home. Features here include: built in wardrobes in these three bedrooms, recently renovated bathroom, separate toilet, external access from the office/multi purpose room. Laundry room with great storage.

Kitchen, dining room, lounge with bar plus rumpus room are all positioned in the middle of the home.

Features in these areas include: Electric cooking appliances in the kitchen, room to BYO dishwasher, built in bar adjoining the lounge room, access to the large covered entertainment area at the rear of the home.

The master bedroom and three more bedrooms are located to the left rear of the home. Features in this section of the home include: large walk in wardrobe and ensuite in the master bedroom. Extra storage also features in the master bedroom. Two of the bedrooms are joined and are a great size. There is an ensuite to a second bedroom as well!

Raked ceilings, exposed brick walls and timber paneling feature through the home. Brand new carpet has also just been laid throughout as well!

Fire place
Air conditioning
Security screens to the doors and fly screens to the windows

Externally the home offers more than enough room to park a truck at the front of the home and there is access around to the three+ car carport with tool room.

There are two built in bird aviaries and a separate fully enclosed dog pen area as well.
