Sold - 13/06/2019

House 6 3 3

SOLD By Alan Kuss 0436 471 091

In the times we live it is too common that we are looking for properties that can hold two families or combined families. Well we have the answer to your question. This beautifully placed 6 bedroom home that can be used as dual living or one big house for the whole family. The extras in this property will raise your eyebrows.

Open for Inspection

By Appointment.

Located in the prime estate of My Home and the River in Logan Village is this rare find. A huge 3-year-old fully ducted 6-bedroom home with multiple living areas that has been built with dual living in mind. Bring the combined family, Mum and Dad or even the grandparents. This house can hold them all. With huge developments rising up and being constructed all around the only place to be is the most superior estate where only the best will do. Situated on a flat quarter acre block with potential for a pool, you can't pass up this rare find.
