2.6 Acres of Private Bliss

A unique plot of land in the Breakwater Estate!

Nestled just a few minutes from the beach, this sensational block offers you pure privacy with large gum trees surrounding the borderlines.

Set on 2.6 acres, the huge building envelope has been cleverly placed at the rear of the block to give the true feel of country living without neighbours on your doorstep.

With A Grade soil this is the best you can buy in this super popular area, ready to build your dreams and live the peaceful country life.

The building envelope is a massive 1,200m² in size which can be expanded to a whopping 2,000m² upon approval of application with the City of Wanneroo.

Your underground power, phone and scheme water are already all in place from the front road side.

This top location allows you to have the best of the best in terms of privacy, serenity and peace without the usual rural travel time to work, school and life commitments.

Just up the road from the beach, Marina precinct, schools, shops, cafes and every other convenience needed for the family.

Come see this piece of private bliss in Breakwater and contact Kelsie Leach from LJ Hooker Two Rocks on 0433431854 for more details.
