

108 Marshall St, Dapto, NSW 2530

Sold - \$550,000

House 4  1  2 

Escarpment serenity with CBD convenience

Lovingly cared for with a cute cottage feel this home has plenty of beautiful places to retreat to; like the fully restored front veranda or the big covered entertaining deck with spectacular views of the escarpment or retreat to the garden and admire its beauty.

Inside the home offers a versatile floor plan as it can be used as a 4 bedroom home or 3 bedrooms with a massive family room or possible home office. The kitchen has plenty of cupboards and bench space and the dining area allows you to dine daily while enjoying the views of the escarpment. A neat bathroom with separate toilet and freshly painted with new flooring and blinds throughout.

Parking and storage is in abundance with a driveway right down the side of the home, double garage and a tandem carport. Whilst on a good size 611m2 block the home has a low maintenance yard that is fully fenced perfect for the kids and pets.

Set in a very desirable location this family home is close enough to walk to Dapto Mall, Dapto train station, medical centres and local schools but far enough out of the CBD to capture the tranquility of the full escarpment view.
