House 5  2 

## A home for all seasons

The home that grows with you, could be the tag line of this fantastic and spacious property that offers so many varied living options you will be amazed. With the whole property offering six bedrooms and two bathrooms in a unique set up of a 2 bedroom self-contained home plus four further bedrooms and another bathroom. There is room for a whole family of teenagers to have their own space, or for the canny single why not live in the house and rent out the rooms to friends.

Either way the options are awesome, and with the whole property united by a spacious shady entertainment area, it gives all who live here the perfect place to entertain or simply relax.

Having been a loved family home with room for boarders for many years; this property just oozes welcome and with oodles of gardens to tend, chook pens and fruit trees it is a great oasis for all green thumbs or wannabe green thumbs.
