## Modern Premise, Heart of Town

A complete renovation has been done on this building, resulting in a fresh modern interior, alive with natural light. There is a floor area of 144 sqm at the front for showroom and office space. Up stairs at the rear a further 60 sqm provides kitchen and bathroom space, or extra storage if required. Located in the heart of the business precinct of Wondai, nothing else locally compares with this offering. Parking is available at the rear of the building, and you have almost 7 metres of window frontage to the footpath. The modernisation is almost complete. Call now to be the first with this large, modern premise, right in the heart of town.
