South Orange

It's hard to find a brick home in Orange at the moment under \$300,000 and with new carpet and flooring plus freshly painted inside that's a real bonus. Situated high on the block this property enjoys a nice open outlook, a popular northern aspect and Winter sun floods both the dining and living areas for most of the day. The main bedroom has a built-in wardrobe, and there are two other bedrooms. The bathroom has a bath, shower and a separate toilet. There's a private courtyard area with a built-in brick BBQ perfect for parties or just a lazy Sunday BBQ. You'll also like the South Orange location close to the Hospital, Cadia Mine and James Sheahan High School.
