## FOUR BEDROOM HIGH SET HOME CLOSE TO TOWN

Located roughly one kilometre from the main street of town, you will find this high set, four bedroom, two bathroom home.

The front entry has one bedroom on either side and leads through to the main living area. There's room for the whole family here, with decorative trim features and plenty of light. Past the living room is the combine kitchen and dining area. Plenty of bench space and drawers with an island.

Down one side of the house, adjoining the living area are two more bedrooms, the main bathroom is at the back of the home, with a separate bath, shower and toilet. Downstairs is the laundry as well as another bathroom with a separate toilet, single carport and a huge undercover entertainment area.

Currently rented through our property management team, this could be a great investment opportunity or family home.

With views of sugar cane and mount Tyson in the background, this is a great property close to town but with a rural atmosphere. Contact the friendly sales team at LJ Hooker Tully to arrange an inspection.
