

14 Warrego St, North St Marys, NSW 2760

Sold - 31/07/2019

House 3  1  1 

Something For Everyone!!

LJ Hooker Riverstone welcome you to 14 Warrego Street North St Marys. This large three bedroom family home is perfectly located just minutes drive away from St Marys train station, M4 and the Great Western Highway.

Open for Inspection

By Appointment.

For a first home buyer, this renovated home offers a large and practical floor plan incorporating renovated interiors with a newly appointed bathroom with floor to ceiling tiles and luxurious finishes. An open kitchen overlooking the expansive yard has also been updated with no expense spared simply offering a walk in and unpack experience.

Investors? It won't take long to realise the substantial potential this home has to offer. Set on a whopping 746sqm block, this home has a duel driveway already in place so if your looking to secure an opportunity for a granny flat, have a chat to council!

Tradies? This is definitely for you! In addition to the above, this home has large side access and massive approximately 10.5m by 4.2m steel shed already fitted with power and data for the home business. There's just nothing like this around and certainly to many features to list.

Inspect today before you miss out!!!!

Additional Features;

- Large 14 panel solar system
- Steel shed, insulated with power and internet
- North facing
- 746sqm block
- Gated access with duel driveway
- Updated kitchen with Bellini appliances
- New bathroom with floor to ceiling tiles
- 3 phase power to the house
- High ceilings with reverse cycle air conditioning

Much, much more!
