## Stunning family home room to move on 2584m2, 5kw solar power

If you love big homes or have outgrown the home you are in this one is a must see. Measuring 411m2 this quality home built by the current owner, who have always put a lot of thought into the homes they build, has extra space in all rooms. As you enter the front door of this 4 bedroom home you are welcomed by a wide entrance with stunning porcelain tiles that meander through to the family living area. The master bedroom is huge with two walk in robes, one for hubby and an even bigger one for you know who. The ensuite is stunning with huge shower, vanity and toilet, with top quality fittings, and retractable ceiling fan. As you wander out to the family meals kitchen area the 9 foot ceilings give a spacious open feel. The kitchen is stunning and overlooks the living area. Find the master chef in you with this stunning kitchen and the huge gas cooktop, wall oven, large walk in return pantry, soft close pot drawers and a Smeg dishwasher. The meals area is large with adjacent family room and zoned reverse cycle ducted air conditioning throughout. There is a separate study/computer room and the games room/home theatre is perfect for the kids or friends when they come over. The 3 remaining bedrooms all have built in robes and access to the main bathroom with shower, vanity and bath, and a separate second vanity with separate toilet. Storage is something these owners never cut back on with walk in store room, linen cupboards and built in cupboards and benches in the large laundry. There is also an extra width 7.5m auto roller door garage under the main roof. The outdoor under cover bbq/entertaining area under the main roof is spacious with zip track blinds for all year use. Roller shutters are also on the front windows. Drive into the rear of the block and you will see how easy it is to turn around to put the van or boat in the 12m x 9m concreted/powerd garage with 3.1m clearance. 90,000 litres of rain water is plumbed to the house with mains switch back if required. Automatic watering to the easy care garden and there is also a second large garden shed and vege area. More words can describe this stunning home. Please call us to inspect from the inside.
