Remove, Renovate or Rent - A Bargain to be Had

Looking for an investment property or in the market for a bit of a reno job? This is the ideal place to buy. No problem for someone to move in immediately and enjoy, whether renting or owner occupy. There are three bedrooms, large combined kitchen and dining, cosy lounge with gas heating, and a good-sized bathroom. The yards are large and in particular the rear, as has multiple shedding, fernery, and where the pool used to be the kids can play to their hearts content, or maybe plant a lawn or even erect another shed. A carport is great for multiple vehicles and the property is in a very quiet street. Why not look into buying? With home loans so low, now is the time to benefit!
