Acreage 4  1  2 

Bounding Beautiful World Heritage Rain Forest - Close to Byr

- Enormous 101.2ha of seclusion!
- 4 creeks flow through the property directly from the National Park, supplying pure fresh drinking water!
- Self isolate amongst natures finest!!! - Total Privacy - Travel to the end of a valley.
- Live off the land - sustainable lifestyle - back to basics at Natures best!
- 4 Bedroom home with power
- This property has been nurtured for approx 35 years with dedication to preserving nature and re-forestation areas of our Australian Eco-forested areas. Over the years, many grants have been obtained and used. Until recently was completely set up for self sufficiency/ This secluded property sits with Mt Warning National Park bordering 2 of its boundaries.

Open for Inspection

By Appointment.

This property is a "Wildlife Preserved" area under a conservation agreement.

Continue the dream with the recent \$28,000 Grant established from Biodiversity Conservation Trust - regeneration of native bush!

Add to the dream, with a 4 bedroom home and verandah, facing Mount Warning itself. This home has good road access, electricity, gravity fed water tanks to store the crystal waters from the creek and enjoy the self-sufficient areas of citrus, avocados, tropical fruit and nut trees and clear area around the home to replant the veggie garden.

Once in a lifetime property to own; total privacy and seclusion! Spend a lifetime to continue the dream - to nurture the Virgin rain forest pockets, the numerous regenerated & re-forested areas to travel the test of time – is this your journey to continue this dream Please call Anne Besgrove to secure your private viewing.
