By Appointment.

On the ground floor, enjoy the convenience of an open-plan living area with high ceilings and low maintenance flooring and plenty of room for you to spread out. This space extends to a stylish stone kitchen fitted with S/S appliances that is bathed in sunshine and has access to an entertainer's deck and low maintenance landscaped rear garden all overlooking the reserve at the rear.

Ideally situated upstairs the bedrooms are all treated to their own built-in robes. A desirably-located master bedroom captures the natural light and is also equipped with an ensuite. Complete with a full central bathroom upstairs, together with an additional powder room downstairs adjacent to a full laundry with external access.

Throw into the mix full gas ducted heating, front door intercom/security camera and remote double garage with direct internal access, this modern home really aims to please.

Stylish, spacious and secluded to the rear, this incredible home is perfect for buyers requiring the convenience of location, modern spacious interiors, and low maintenance private gardens.
